page 2 of 2

1. PRODUCT

euro profile cylinder with non lockable knob

PRODUCT TYPE

cylinder

2. TECHNICAL SPECIFICATION

Operating:	Mechanical operation
Construction:	double, with knob
System:	horizontal key profile 1 row of 5 positions, with double mechanical operated detainers
Material:	cylinder body: brass with various coatings
Dimension:	17 mm profile from 31 mm in various extensions per 5 mm
Fixing:	1 steel bolt M5, length \geq backset + 10 mm
Intended use:	in combination with cylinder mortice locks and security furniture. Pay Attention! This cylinder achieves only the SKG-star rating if a door element (including side window), wherein at least P4A glass has been applied, OR in a door element (including side window) with a section filling without a view on the knob. A wooden door element (including side window) with a view to the "standard" turning knob, should be provided with a SKG (V) certified anti-drill / manipulation device.

3. DELIVERY

The delivery includes an installation instruction:
Version 01 - 25-03-15

4. PERFORMANCES

A euro profile cylinder with non lockable knob according this certificate fulfils the relevant requirements of BRL 3104.

A window- or door set, in which this euro profile cylinder, with non lockable knob is installed according the installation instructions of the certificate holder meets at least burglar resistance class (RC) 3 of NEN 5096 and EN 1627, if:

- the façade element or the (profile-)system from which the element is manufactured is delivered under a (KOMO-)quality approval with respect to the aspect burglar resistance, in which the actual window or door type is admitted and the herein mentioned conditions are fulfilled.

A window or door, in existing buildings, in which this euro profile cylinder, with non lockable knob is installed according the installation instructions of the certificate holder, meets the requirements of the Police Mark Save Housing (PKVW) - Existing Building, if:

- the other aspects of the façade element also comply with the applicable PKVW Protection directive (publication CCV).
-
